ABOUT FOSAC CASTINGS

FOSAC Castings is a South African casting agency specialising in film, television and commercial productions. Based in Durban and Johannesburg, we cast talent nationwide and work with both local and international production teams.

Our experience spans feature films, long-form series, commercials and short-form projects. We understand the pace and practical demands of production and are known for our organised, hands-on approach, clear communication and dependable delivery. FOSAC Castings places strong emphasis on professionalism, reliability and respectful working environments, ensuring both productions and talent are supported throughout the casting process.

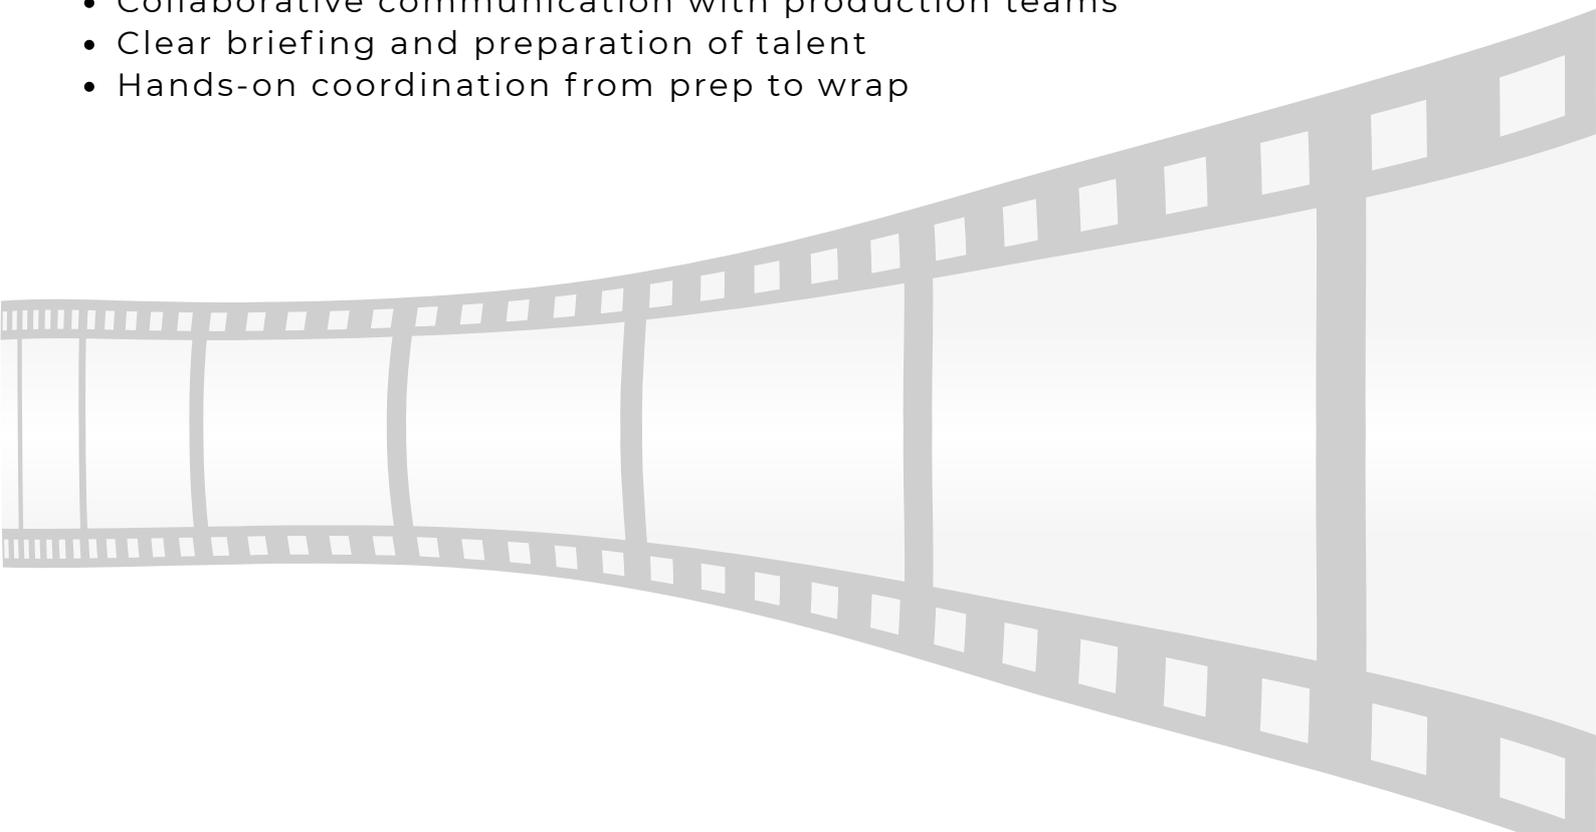

OUR SERVICES

- Background & Crowd Casting
- Featured & Supporting Roles
- Principal Performer Casting
- Specialist Performer Casting (including musicians, dancers, singers and performance-based roles)
- Talent Sourcing (All Ages & Demographics)
- On-Set Casting Coordination & Support

We cast performers across a wide range of disciplines when required by script and production, ensuring suitability, professionalism and on-set readiness.

HOW WE WORK

- Collaborative communication with production teams
- Clear briefing and preparation of talent
- Hands-on coordination from prep to wrap
